Re: Recycled content of Ecophon products

This hereby certifies that the **minimum post-consumer recycled content** (in conformity with ISO 14021) of Ecophon ceilings and walls product families is the following:

Advantage	47%
Akusto	53%
Focus*	51%
Gedina	34%
Hygiene	38%
Industry	46%
Master	59%
Master Rigid	45%
Opta	51%
Solo**	54%
Super G	42%

* excluding Focus Flexiform

** excluding Solo Textile and Solo Steel

Recycled content of a specific product can be obtained by contacting an Ecophon representative.

All Ecophon products are recyclable.
